# **Caroline Cares for You LTD**

# **CareGiver Job Application**

# **Guidance Notes for Applicants**

The application form plays a vital role in the selection process, both in deciding whether or not you will be shortlisted for an interview and as a basis for the interview itself. It is therefore important to address the Person Specification by relating it to your experience, knowledge, skills and abilities, which are relevant to the job.

The following advice should help you to complete the application form as effectively as possible.

# **The Job Description**

- The job description details what sort of duties you would be expected to carry out
- Ask yourself why you are interested in the job
- Would it be a good career move perhaps to broaden your general work experience or to support the sort of work you might want to undertake as a career

# **The Person Specification**

- The person specification will list the skills, knowledge, qualifications and experience required. You should provide evidence that you have these on your application form
- Explaining your present and previous jobs to someone else may help to uncover "hidden" skills, that you take for granted
- Consider any relevant experience you have acquired outside work such as community / voluntary / leisure interests/care for family

# **Your Employment History**

- Write out your career history: do not go into too much detail but make sure that you explain the main responsibilities of the most relevant jobs that you have had
- Check that the dates are correct and in the right order and make sure there are no gaps
- Please use an extra page if there is not enough room

# Do a rough draft first

- Write out the form in rough to avoid mistakes and repetitions
- This also gives you the opportunity to ensure that your form is well organised and relevant

# Other Information Section

- This is where you make your case for the job
- You should refer to the person specification and try to provide evidence of how you meet each requirement
- Your form should be written in a concise, well-organised and positive way
- Specify your own responsibilities rather than those of your organisation or Company

# **Complete the Form**

- Type it or use back ball-point
- Ensure it is clearly presented to create a good impression

# Sign the Form

 This can sometimes be overlooked, please make sure you sign the form

# Send the Form Back on Time

- Send your completed form to the address as specified on the application form and/letter
- If there is a date/time by which you must return the form, please make sure you send it so that it is received on time

Always keep a copy for your own records
